DECLARATION UNDER 37 C.F.R. § 1.132

1. I am one of the co-inventors of the subject matter claimed in United States Patent Application Publication No. 2004/0016647 A1 and the present application;
2. Michael X. Yang, Dmitry Lubomirsky, Yezdi N. Dordi, Saravjeet Singh, Sheshraj L. Tulshibagwale, and myself are the inventors of the subject matter claimed in the present invention;
3. Any subject matter claimed in the present application that was disclosed, but not claimed in United States Patent Application Publication No. 2004/0016647 A1, was

invented by Michael X. Yang, Dmitry Lubomirsky, Yezdi N. Dordi, Saravjeet Singh, Sheshraj L. Tulshibagwale, and myself;

4. The subject matter claimed in United States Patent Application Publication No. 2004/0016647 A1 was invented by Michael X. Yang and myself. The subject matter claimed is directed to a method for plating copper.

5. The subject matter claimed in the present application is directed to an electrochemical plating cell.

6. All statements made herein of my own knowledge are true and that these statements made on information and belief are believed to be true and further that these statements were made with knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of this application or any patent resulting therefrom.
